Mayor William J. Samaras  
And  
Members of the Lowell City Council

Dear Mayor Samaras and Members of the Lowell City Council,

I am hereby requesting that the City Council vote to set the spending caps for the next fiscal year (FY2020) for the city's various revolving funds, pursuant to Chapter 44, Section 53E ½ of the Massachusetts General Laws.

These revolving accounts are established by City Ordinance, pursuant to the changes made in the Municipal Modernization Act. While the act removed the requirement that the Council re-establish the funds prior to each fiscal year, the requirement to set the spending caps remains. This vote would fulfill that requirement for fiscal year 2020 and maintains the historic caps for these funds. No changes are proposed to the existing amounts.

Sincerely,

Eileen M. Donoghue  
City Manager
